

## How Do You Book Wedding Day Beauty?

*Here is what you need to know!*

1. First, we will need to know if you are interested in hair only, makeup only or hair + makeup?
2. Next, we will need to know how many people will want services?
3. We will fill out the quote and contract for everyone who will want services.

However, don't worry, if everyone is paying for their own service they can pay individually on the wedding day. You are also welcome to pay one payment for everyone on the day of the wedding. It is totally your call. This is common and we are happy to make it easy for everyone!

4. Once we have all of this information we will send over a quote. The quote will have a link to your personalized contract and a link to pay the deposit. The contract and deposit will need to be submitted to reserve your wedding day and timing.
5. Finally, don't be afraid to ask as many questions as you need. We are here to help with the whole process. There are lots of details and we are experienced with working out details of all kinds.
6. Let's Go Girl!!! What are you waiting for?
